#### Attention Lewisville Area Musicians!

Link for Interested musicians: [www.accordions.com/naa/AreaMusicians.html](http://www.accordions.com/naa/AreaMusicians.html)

For the first time in our 38-year history, the 2024 National Accordion Convention is inviting Lewisville area musicians to participate in the annual **Friday Evening Music Party**. Interested musicians are invited to join the fun evening by performing, singing, and dancing.

**Its Party Time** 

*Friday, March 22, 2024*  
*Lewisville, TX*  
*Hilton-Garden Inn Convention Center*

**\$20.00 per concert per family**  
*50% discount if you bring your musical instrument!*

Bring your acoustic/digital musical instruments, that may include accordions, stringed instruments, brass, woodwinds, harmonicas, rhythm, vocals, and/or other musical instruments.

*Why???*

**The world is celebrating the return of live music.**

In the past, the accordion was popular because it has been known as a complete musical instrument. But in 2024, small combos and live music are the current demand! Thus, it is time for all musicians to work together.

**Complete convention information, including registration, is located at:**
