

Call for Commercial Memberships

Teachers, Music Studios, Vendors, Manufacturers, and Distributors

[National Accordion Convention \(landing page\)](#)

Hilton Garden Inn – Lewisville, Texas

March 20 - 24, 2024

Special \$50 Commercial Membership Offer:

Today's world is rapidly moving toward internet sales (*virtual sales*), instead of face-to-face meetings and marketing. The National Accordion Association (NAA) is taking the lead in establishing positive communications among all accordionists, accordion teachers, vendors, and other accordion associations.

Therefore, we are requesting that all accordion-related vendors, music studios, etc., assist the NAA by becoming a Commercial Member. In appreciation of the \$50 membership, your business-size card will be displayed on the home page of the National Accordion Association until December 31, 2024.

In exchange for the Commercial Membership being displayed on the NAA's homepage, the NAA is encouraging these members to inform their new customers of the benefits of knowing about the NAA conventions.

As a professional courtesy, the NAA will continue to list your names on the respective pages of the website regardless of your being a Commercial Member or not. Check the respective websites to determine if we have your information: [Vendor website](#) and [Teacher/Studio website](#).

Conference Room Display Area - \$50 per shared table space.

The Hilton Garden Inn Lewisville has two conference rooms available for accordion businesses (Vatican & Basilica) with one large conference table in each room. The tables are reserved for displaying accordions and/or accessories. Vendors are expected to maintain the display tables during the convention.

Special Convention Rates for Vendors!

Working Together: Vendors displaying accordions and/or accordion accessories and wanting to participate in convention-related activities are given a 50% discount to the convention, including the banquet.

If you have any questions, call or e-mail me.
